

Request Form to Sponsor a PST Peace Dance

The PST Peace Dances are primarily sponsored by the PST Youth Group, however, the Youth Action Team (YAT) has the authority to periodically offer the sponsorship to other groups. The PST youth use these dances as their primary means of income (they receive a limited budget from Peace Lutheran Church and also tithe back to the church from their dance proceeds) so your sponsorship is not guaranteed. A sponsoring group has the ability to earn up to a maximum \$500 after all expenses (see item 7 below) have been paid.

The following guidelines must be met in order to be considered for a dance.

1. The PST Youth Ministry has the first option to sponsor the dance.
 2. Only organizations or groups affiliated with an LCMS congregation in Grand Island (Peace, Trinity or Grace) are eligible to sponsor a dance.
 3. This Official Request must be filled out at least 2 months in advance of the dance.
 4. The Youth Action Team will consider whether a dance is available. The Youth Action Team has the final authority to offer or decline a request. If the dance requested is already reserved, an alternative date can be offered. Summer dance dates are discouraged as the net proceeds from these events are minimal.
 5. The organization must provide at least 10 adult sponsors (a potential of \$50 per worker up to \$500 total). Fewer workers will proportionally decrease the amount earned by the sponsoring organization. Workers can serve a split shift if necessary, but a minimum of 10 sponsoring adult workers at anytime are needed to adequately staff the dance. Split shift workers are responsible for instructing their replacement and overlapping their time so the dance is adequately supervised at all times. A sign IN-OUT sheet is provided and must be completed by all sponsoring workers. Participating youth also work under similar parameters.
 6. All sponsors must be present from 6:30 PM until clean-up is complete (approx 11:15 PM) to receive full credit for the dance. Youth adult leaders will also be present to instruct sponsors and supervise the event.
 7. All dance expenses (including PST youth, security, church tithe, etc.) will be paid before any money is dispersed to a sponsoring group.
