## JESUS TIME

During the weeks of November, the final stories of the Old Testament in the Children's Bible will be covered. Bible stories and pages in your child's Bible are noted on the schedule on the web and sent home with children.

Children will also be making a Thanksgiving book that will include pictures of people and things for which they thank God. It will be sent home with children during their final week before Thanksgiving to be shared with families.

Due to the Thanksgiving holiday falling during the second week of chapel in November there will only be one chapel during the month. Pastor Michael Reiners will lead chapel which will talk about our blessings.

**Change from original note sent home:** We hope to have the candles here as close to 10:00 on November 9 as possible so that the candle orders from the one day class that only comes on Monday can take their candles with them.

**One driver has volunteered that can leave immediately after dropping off her child and returning as soon as they load up her vehicle. This driver has a suburban and we are not sure that it will be large enough to carry all the candles so another driver would be appreciated that can drive to Hastings immediately after dropping off their child at preschool.**

Anyone who can help should be here close to 10:00 so that they can help unload and immediately begin repackaging. A reminder note will be/has been sent home with the children of parents who indicated on their volunteer assistance survey they might be able to help. Please return as indicated

Add them in the blank space and include your phone number to be contacted in case of questions.** NO SCRIP will be ordered in December as there will not be school during the week of delivery. Each year as we begin preparations for Christmas during the season of Advent, preschool children and their immediate household families (**NO GRANDPARENTS**) are invited to attend an evening at preschool that focuses on the celebration of Jesus birthday. Families are asked to attend on the evening their preschool child's teacher has been scheduled as noted above. However, if you cannot make it on the night designated you may come the other night. Please let your child's teacher know of your plans.

During the evening families will be making a family Christmas decoration, playing Christmas games, eating a snack and having a family picture taken by a Christmas tree. For the snack, **each family is to bring their favorite finger food** to share with other families. It does not have to be a Christmas snack. At the end of the evening children will sing the Christmas songs that they have learned during the preceding weeks.

In honoring Jesus birthday, please **consider an optional donation of a new item of clothing and/or toy** that can be given to a child in need. Suggestions will be available on a "Giving Tree" or you can bring something and place it under the tree at the CHRISTmas party. All donations will be given to an organization such as the Crisis Center to be distributed during the Christmas season. Last day that donations will be accepted at preschool will be December 11. If you miss the deadline, you may want to give through another avenue.
